Commander's Comments

Hello members,

August is upon us and we are in the middle of yet another scorcher of a summer. Personally, I consider anything over 95 degrees as HOT! There doesn't seem to be any relief in sight. I sincerely hope each and every one of you are staying hydrated by drinking plenty of water. Heat related illnesses are no joke. If you even think about drinking water, DO IT! Be watchful getting into a situation where you feel hot but aren't sweating. Get to a cooler place and drink water. You get my point.

July was a busy month at Post 593 beginning with our annual July 4th picnic. It is always nice to see so many members gathering to celebrate our nation's birthday and enjoying fellowship and of course, good food. Many Thanks to all that brought those tasty dishes. The 2nd week brought the Department of Texas Convention which was attended by several of our members. I had not attended this event in many years and it was eye-opening to say the least. Post 593 came home with many awards due to our efforts towards retaining and/or recruiting members and our involvement in the community. Two of those awards were in the form of MONEY! We can always use more money, right? Having said that, I can't Thank Dennis Ducharme and the Officers from last year enough for the work they performed regarding membership last year that earned Post 593 those awards. Great Work! .

Auxiliary News

Howdy! First, I greatly thank Candy Zavala and her officers for their hard work and accomplishments in 2022-2023. We have some big shoes to fill, but I know with your

continued support, this will be another great year for ALA Unit 593! I also truly thank all of those that brought food and helped with Mary Ann Richardson's celebration of life. Her husband made a generous donation to the Auxiliary and sent an email of appreciation. So again, thank you. Membership is the life blood of any organization. We need members to help with their time, treasures, and talents whenever possible. We need to encourage and mentor our members to be more active with our unit and the programs we support. Let's all work together so our organization can continue all the great work for our veterans, children, and community in perpetuity. Remember, we are all here because someone we love served this great nation. Now let's do our part to support those programs that are so dear to our organization. We are now accepting 2024 membership renewals. As many of you are already aware, our dues have gone up to \$35.00. Please understand that any organization needs funds to operate, and the American Legion Auxiliary is no exception. And as in the past, members under the age of 18 are still free. Our Auxiliary takes care of those membership dues to encourage junior members. So, if you have a daughter or granddaughter, please fill out an application and sign them up! They count towards our membership goals and are our future!
 (Continued on page 3)

(Continued from page 1, Post Commander)

I would like you to think about this regarding Membership and why it is so important. Over the course of history, The American Legion has been at the forefront getting legislation passed that helps veterans like The GI Bill of Rights, the Veterans Administration, and the recent PACT ACT. All of this was possible because our National Commander was able to lobby Congress saying he represented “XX Millions” of veterans. Yes, it is political but that is the world we live in. So, membership represents lobbying power.

Unfortunately, I missed an outstanding event at Post 593 because I was at the Dept Convention. I am speaking about the German Food Truck that visited our post that same weekend. After listening to several reports and seeing the pictures, I feel it is safe to say it was a success. Thanks to Mikey Wilson and the many people involved for bringing this together. I am looking forward to more events in the future.

Folks, as we continue to march through the year, I ask you to take the time to support as many events as you can at Post 593, no matter which pillar is sponsoring. Always remember we are a Legion Family and need to support each other. So, when the Auxiliary, SAL, or Riders have an event come out and show them you appreciate what they are doing. The strength of FAMILY has gotten us to where we are today and we can't let that diminish. EVER!

I have been rambling on long enough. Thank you for allowing me to be the Commander of this great post. Keep supporting Post 593 so this will be another memorable year.

SALute From the Squadron Commander

Hello to all the SAL and other Legion family members.

We had our rummage sale the 1st of July and we made \$753.00. Thanks to our SAL members. 2nd vice Mikey Wilson, Historian Adam Bales, Dennis Ducharme, Sergeant at Arms Brad Martin and 1st Vice & Finance Rick Moe, Auxiliary members Tami Cox, Jerri Bales and Legion member Connie Paquette with their help, thanks for the great job.

Congratulations to SAL 2023 membership Chairmen Rick Moe did a great job of getting Squadron to 128%. He received a 100 % pin. Also a Thank You to Dave Paris for his help with membership.

If anyone needs or knows of someone in need of prayers please notify George Alva.

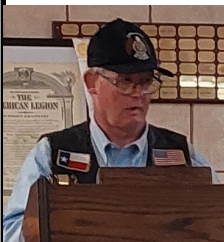

Please remember that it is up to all of us to try to bring in new members.

Hope to see everyone at our next Chicken Fried Steak night on August 12th.

Our next SAL meeting will be on August 15th, 2023 at 19:00 or 7:00pm.

Have a great month, see all of you later.

Riders Report

Legion family, The Texas American Legion Riders are preparing to donate over \$34,000 to the American Legion National Legacy Scholarship fund. As a result of everyone's hard work and generosity this fund is now self-sufficient. Thank You!

As the Legacy Scholarship fund is now self-sufficient, a new charity is now going to be the focus of the American Legion Riders. This new charity is the American Legion's Veterans and Children's Fund. Let us do our part and make this as successful as the Legacy Scholarship Fund.

The ALR has started planning for a new ride to be hosted in the State. The new ride will start at Burkburnett, Texas, and end at McAllen/Pharr, Texas area. The theme will be “Be the One Down 281”. Highway 281 is the American Legion Highway. This ride will be multiple days and will require a lot of support from the Legion Family. More details will be provided.

The Riders have just complete the 5th Vets-helping-Vets project with the completion of the ramp heading into the Post. Thanks to Josh Blevins and his crew.

(Continued from page 1, ALA President)

There are many awards that our unit is eligible to receive by meeting certain deadlines of membership numbers, so I encourage you to renew early. I would also encourage you to print out a couple of membership applications and help to recruit new members. You can pick them up at our Post or save one electronically from the alatex-as.org website. At the very bottom of the application is a place for you to put your name and information as the recruiter. The Department of Texas gives out awards at our annual convention for members who recruit a certain number of members and even provides monetary incentives to those who do so. Looking forward to a GREAT year!

President, ALA Unit 593

Legion to test out multiple-year membership plans

By [Steven B. Brooks](#) MAY 10, 2023

Current Legionnaires and prospective members will have the opportunity to sign up for a three-year membership under a pilot program approved May 10 by The American Legion National Executive Committee during the organization’s annual Spring Meetings in Indianapolis.

The NEC passed Resolution 1: Purchase of Multiple Years of Membership. The resolution approves “a five-year pilot program offering the purchase of three consecutive twelve month member terms at the then current dues rate”.

The pilot program will offer, “One-year, three-year and lifetime memberships,” said American Legion Finance Commission Chairman Gaither M. Keener Jr., who chaired the Legion’s Membership Study Committee created in October of 2022. At the conclusion of the pilot program, Keener said, “It will be reassessed and brought back to the NEC for its decision ... whether to continue or discontinue, with factual information so you can make a logical decision.”

The pilot program will begin following modifications being made to the Legion’s member data system to allow for multi-year memberships.

2nd Vice-Commander Report

I start by thanking everyone as they support the events of Post 593. I also thank the H&E committee for their time and attitudes. The Post would not be able to keep the lights on and the doors open without the support and volunteers of this post. With that being said, the H&E committee has helped plan events all the way out until Soupper Bowl (no it is not misspelled, it will be a canned soup drive). Here are our upcoming events for the next month.

We will start August off with a Bar Champions Tournament on Saturday the 5th. \$5 buy in with random draw 2 partner teams. Single elimination tournaments for each game: billiards (pool), darts, and shuffleboard. We will have the German food truck (Schnitzle Box) and a British American food truck (Slackers) in the front parking lot by the pavilion. Registration begins at 3:30 pm. See flyers/menus or me for more information.

Wednesday, August 9th, is the next H&E meeting. Starts at 7:00 pm. Come join us and help us make the events of Post 593 amazing. Plus, you will be the first to know what events are being planned and give them your ideas. Meetings are open to any member of the post.

Legion Breakfast will be on Saturday, August 12th. The cost is \$10 and will begin at 8 am. If you have not joined us for one of our breakfasts, you are missing out.

On Sunday, 8/13, we will have the Steel Guitar Association here in the hall. They are a group of musicians that show up and play good music together. Legion also has a Burger Burn during the event. Choice of a Hamburger, Cheeseburger, or Grilled Cheese and a side of Fries are \$8. Baskets of Fries are \$5. Events start at 2 pm.

New Event this month is Fancy Grilled Cheese. This event will be on Saturday 8/19. The kitchen will open at 6:00 pm. We will go until we sell out so be there early or let us know you are coming. Your Choice of bread, cheese type, meat type, and side. \$8 dollars for the meal and \$2 for additional sides. Please see the flyer for details or speak with Ed, Jimmy, or I about this event. We would love to speak more about this event and also let us know you are coming so we can make sure we have enough supplies. If you have not had one of these grilled cheeses, you are in for a treat. They are amazing.

Legion Steak Night will be on Friday 8/25. The kitchen opens at 6 pm and closes at 8 pm. \$16 for a 10 to 12 oz steak and sides. A 50/50 raffle will be held during serving and announced at 8 pm. All money raised will go to support the Labor Day Picnic.

Being that I mentioned it above, The Labor Day Picnic will be on Sunday 9/3. We are planning a hotdog eating contest and an indoor cornhole tournament. Burgers and Hotdogs will be provided by the Post. All sides and deserts are potluck. Bring a side or desert and come share in the fun of the Labor Day Picnic.

The Fourth Pillar

Children and Youth

The Boy Scouts and the Cub Scouts continue to stay active even in the summer heat. The Boy Scout Program is centered around setting goals, researching how to attain the goals, planning and preparing to meet them, executing the plan, and ultimately reviewing the actions taken. Last March the youth planned out their 23-24 calendar and they wanted to put together a "Field Day" for the Cub Scouts, they planned it for July, each patrol put together activities and the troop as a whole ran a "Rain Gutter Regatta" (Pinewood Derby on water). The event was a great hit with the Cubs, they got to do nature activities, outdoor games, a race with their boats (the Cubs beat the Boy Scouts) and it ended with an ice cream sundae. The Troop went on to conduct their Summer Court of Honor (Awards Ceremony). All this within a weekend campout. They did a great job planning and executing their plans to meet their goals. The Scouts continue to thank the American Legion for giving them the capability to learn and grow.

Schnitzel Wiener Art

Tender breaded pork or chicken, freshly prepared by chef Andi. It's perfectly crispy on the outside with a tender interior. No wonder this is one of Germany's most famous and beloved dishes!

Jägerschnitzel

Breaded pork or chicken slathered with chef Andi's homemade creamy mushroom gravy, also known as "Hunter Schnitzel". It's a German classic, the ideal marriage of a great Schnitzel served with the most delectable mushroom sauce.

Balkanschnitzel

Breaded pork or chicken topped with chef Andi's homemade savory sauce of sauteed red or green bell peppers, tomatoes and onions. Many Germans may remember this as "Zigeunersoße".

Fleischkäse

A meatloaf popular in Germany, Switzerland, and Austria. Chef Andi's recipe includes pork shoulder and pork belly mixed with herbs and spices. Baked in a bread pan until it forms a wonderful crust on the outside. Enjoy a slice of it on a roll with mustard or with sides like fried potatoes and sauerkraut.

Bratwurst & Currywurst

Our original German sausages use chef Andi's own recipes.

Eat your **bratwurst** on a roll with mustard, the traditional German way, or with sides like French fries and cucumber salad.

Currywurst is the ultimate German street food. Chef Andi's homemade curry sauce is a little bit sweet and a little bit spicy and makes it the perfect accompaniment for a bratwurst.

French Fries

Our French Fries, or Pommes as the Germans say, are fried in peanut oil. Do you know that Germans like their fries with mayonnaise? Give it a try, mayonnaise is available upon request.

Potato Salad

This German potato salad is prepared with "Pellkartoffeln", which are potatoes boiled with their skin intact and removed after cooking, onions, eggs, German pickles and mayonnaise. It goes perfectly with any Schnitzel, Bratwurst or Fleischkäse.

Cucumber Salad

Our cucumber salad is a delicious refreshing cold side dish. Made with fresh cucumbers and just the right amount of dill flavored creaminess.

Red Cabbage

Using a recipe from Chef Andi's Mom, this German side achieves its flavor profile by braising fresh red cabbage with apples, onions, vinegar, and spices. Depending on the German region, it is known as Rothkohl, Blaukohl or Blaukraut.

Krautsalat

A Bavarian staple, Heide's coleslaw is made from fresh green cabbage, onion, and a touch of cider vinegar and caraway. It's a light salad that works well as a side to many hearty dishes.

Sauerkraut

Chef Andi's sauerkraut is cooked with bacon, onions, apple and another secret ingredient that moderates a little the distinctive sour flavor of this national German dish.
