Commander's Comments

Hello everyone,
 All of us are beginning a new year together at Post 593 after the recent installation of officers for The American Legion, The American Legion Auxiliary, The Sons of The American Legion, and the American Legion Riders. I hope that you will continue to support whichever pillar you are associated with. That support is what makes Post 593 strong.

As I write this I have not yet been installed as the new Commander of Post 593. That is an odd feeling. Having said that, I thank Dennis Ducharme for the time he served our post as Commander for the last 2 years. I, for one, know the challenges this position entails. I also know how it feels to turn over the reins, kick back, and relax. Dennis, I will try hard not to call on you for insight more than necessary. Enjoy your time as a Card-Carrying Member once again!

Thank you to all that put in the time to make the Installation of Officers such an enjoyable and worthwhile evening. Special thanks to Michelle Muth, Candy Zavala, and Suzana Buckley for preparing and presenting the meal.

I hope all of you took the opportunity to spend time with your fellow Post 593 members for our July 4th picnic. Thank you to Mikey Wilson for setting this up. I fully understand that it is difficult to spend time with your family as well as our Post Family when a holiday falls during the week. But it is always nice to see the turn out for our get-togethers and taste the dishes that members voluntarily prepare. Thank You to all that brought us those delicacies.

I need to thank one more individual for their work at Post 593: That is our Post Home Manager, Tracy Diggs. I have noticed the strides you have taken to make our canteen a pleasant place to be and I appreciate it. I look forward to working with you in the future.

I don't have more to bring to you at this early stage of our new year. Please, continue to support our Post activities with the same enthusiasm you

Auxiliary News

Happy Independence Day month!
 Goodbye June and welcome July.
 I won't bend your ears much in this newsletter because we have a "change of guard" taking place this month in our Unit. At Department convention I will be concluding my year as your Unit President and Robin Alva will be taking the wheel.

I want to thank you all for your support and participation in new events, fundraisers, and for bringing some great ideas and energy to the table. We worked together as a team this year, from the Exec Board to our members, taking on and completing all we set our minds to. I ask that you all extend the same energy and support to Robin as she takes on this new position. I know with your continued support our Unit will continue in its upward trajectory.

A few things to watch for in the upcoming months will be the raffle for the paddle boat, with the drawing being at the general membership meeting in September, and the moving and placing of our new shed in its permanent resting spot. We have arranged for the walls to be shored up for more support as well. Of course, we will continue to work on our favorite programs in new and creative ways.

We are closing out this year's membership and soon you will be able to start renewing your 2024 memberships. If you haven't paid 2023, make sure to do so or you will owe two years to maintain your continuous membership years. □

Please remember there will be no ALA general membership meeting in July as we use this as our transitional month, but there will be a Post Everlasting Ceremony on the first Wednesday of the month in lieu of the AL and ALA general membership meetings. The ALA is always invited and encouraged to attend.

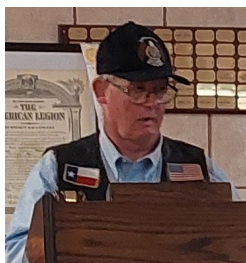

The 4th of July Celebration will be held on July 1st at 3 pm. There will be the usual 4th of July picnic foods, i.e., hotdogs and such. Everyone is asked to bring a side.

have shown in the past. Post 593 has always supported our programs and I know will continue to do so in the future. Take a moment to thank individuals when you see them going above and beyond. Make some time to help somewhere when you can (Breakfast, Steak Night, committees, building repairs, recruit a new member, introduce yourself to a new member, or whatever). Keeping our Post successful is a result of the combined efforts of all members of all pillars and I am proud to be your Commander.

Respectfully,

Jack Leanhart
Commander, Post 593

1st Vice Commander Report

2023 is in the books! Thank you to all of our members for their recruitment efforts. As of July 1, we are at 112.04% of our goal of 731 members, we ended our Legion year with 819 members!

A big welcome to our 108 new members!

Glad you joined us!

If you still haven't renewed for 2023, don't fret. You can still renew and we can still send in the transmittal. If you pay 2024 membership at the same time, you won't forget later! Two birds, one stone! There are multiple ways to renew:

- ◆ Online at mylegion.org and print your membership card
 - ◆ Send in your reminder renewal form mailed by Headquarters
- Bring in your friends, family, and neighbors to register for the Legion (and check eligibility for Auxiliary and Sons as well!). If you recruit a new member, make sure you let the Adjutant know so you can get credit for your recruitment

Next will be the Post Breakfast on July 8th from 8 am to 11 am., \$10. Additionally there will be a blood drive at the same time as the breakfast.

Burger Burn is on July 13th, from 5:30 to 7:00. \$8 for a burger, chips, and a yummy homemade dessert.

There will be no Chicken Fried Steak this month due to most of the volunteers will be attending the Department Convention. There will be a German

food truck that night if you would like to partake in that.

Steak night is scheduled for the last Friday of the month as usual, 6 pm to 8 pm, or until they run out. The ALA will also have the Dessert for Donations table so keep an eye out for an email reminder for goodies from Robin.

Please keep an eye out for email and the ALA Unit 593, Converse, Tx., Facebook Page posts. Make sure to "Like" our FB page so you receive notification of recent posts. If you would like to post pictures of Unit 593, feel free or send them to me and I will do it for you. If you are not receiving emails from Aux593info@gmail.com and would like to, please send an email to myself at czavala@gvec.net or Aux593info@gmail.com and we will make sure you're added or your email address corrected.

Thank you all for your service and remember our Veterans, Active Duty, and their Families...our Mission.

President, ALA Unit 593

The Fourth Pillar

Children and Youth

Your Boy Scout Troop kicked in into high gear this past month by sending part of the troop to Summer Camp at Camp Strake near Houston where the scouts learned outdoor skills such as the Lifesaving and Camping merit badges. They also learned possible life long hobbies like Chess and Art merit badges and service to others by serving 300 campers meals in the dining hall. This was a time they will always remember.

A second contingent of the troop as well as part of the Cub Scout Pack went west to spend a week in the Davis Mountains as a Science and Technology Week. They visited, toured, and took part in a Star Party at the McDonald Observatory, which has the third largest telescope on Earth. Next they learned about swimming with marine life, minnows, catfish, crawfish, and a turtle at Balmorhea State Park, the largest spring fed swimming pool. They also saw scuba diving classes performed there as well.

Lastly the STEM tour ended with a trip to Carlsbad Caverns, which is celebrating its Centennial year. They rode an elevator down 750 feet below the surface then hiked two miles under ground learning how the cavern was formed, how it was discovered, and just how beautiful nature can be. The scouts had additional experiences during the week trip as they saw deer, skunks, coyotes, javelinas and wide variety of birds, insects, and reptiles that they had never seen before living in their natural habitats.

These experiences whether it is a traditional camp or a exploratory STEM camp only happen because of the support American Legion Post 593 gives the youth of our community. THANK YOU POST 593!!!

SALute From the Squadron Commander

Hello to all the SAL and other Legion family members.

Here's hoping all had a great time this past year, and yes its time to welcome all of our new officers..

Chicken Fried Steak night we sold 45 steaks, in an hour and fifteen minutes , that's not bad with the call for rain that we had, Great Job to the staff and thank you to all that bought the dinners. There will not be a Chicken Fried Steak night in July as most of the workers will be at convention.

We are having our rummage sale the 1ST of July . Starting at 8am

If anyone needs or knows of someone in need of prayers please notify George Alva.

Please remember that it is up to all of us to try to bring in new members.

Our next S A L meeting will be on July 18th , 2023 at 19:00.

Have a great month, see all of you later.

Riders Report

Greetings American Legion Riders,

I have been humbled for the past two years as the ALR Director. This was one of the most fulfilling positions I ever had inside and outside the Legion. The Riders, friends, and family have always had each other's back as well as mine. I learned a lot and was grateful to lead the ALR for that period of time. Our Bylaws indicate two years as Director and then you must step down. Fortunately for Chapter 593, we have an outstanding rider and person taking over...Ed Richards. I hope that all of you give him the support that you gave me. I am looking forward to helping out on his Executive Staff and remaining actively involved.

During the past year, we accomplished a lot of what we set out to do. Those areas that we never got around to will be on "Ed's List" to consider moving forward. I know we will be very successful under Ed's leadership so I am psych'd to step aside. We have one more Veterans Helping Veterans project to finish, State Rally from 15-20 June in El Paso, and Post Installation on 24 June. Our new leadership will be sworn in that night with the other Legion Divisions. Thank you again for everything and have a great June and/or summer. God Bless our Veterans. Paul "Timmy" Goymerac signing off as Director.

Another year has come to a completion and after looking back, we accomplished almost everything we sought out to do. Our new Executive Committee members and appointed officials in the ALR for 2023 – 2024 are: Ed Richards Director, Paul Goymerac (Assistant Director) George Alva (Chaplain), Rob Henkel (Member at Large), and, Brandon Riggs

(Historian).

June was a busy month for the ALR, we completed a Veterans Helping Veterans project and had seven of our riders ride to and from El Paso to support Texas State ALR Rally. It was a hot ride and everyone made it back safely. We also supported a Celebration of Life For Ron "Irish" Devlin and service for CPL Steinberg (Converse PD) father who was a Veteran of our Armed Services.

Starting of the new ALR year we will be planning and finishing a least two Veterans Helping Veterans Projects, conducting our

annual Rolling Run fund raiser, participating in the South Central Texas ALR Legacy Run and supporting other local ALR Chapters in their fund raising efforts.

In Memoriam

All Souls remained with us.

The Newsletter will dedicate the space above to the memory of loved ones who have left this world much too soon. The criteria is as follows: The deceased must be a member of The American Legion, The American Legion Auxiliary, The Sons of The American Legion, The American Legion Riders, or an immediate family member of such. Specifically, the spouse, parent, child, or sibling of a member. Please inform the Newsletter Editor directly or through one of the chaplains.

A Checklist of Tasks after a Veteran's Death

A List of People to Notify and Places to Contact

The first step to receiving assistance and benefits for a Veteran's death is to report it to the appropriate agencies. If unsure, call anyway. Expect to give the Veteran's full name and Social Security Number. In order to avoid overpayments the survivors should contact the below numbers within 30 days or sooner, if possible.

The time immediately following the death of a loved one can be overwhelming, with grief and bereavement complicated by a seemingly endless number of tasks. The immediate days following the death will be focused on the funeral or memorial service arrangements. Soon after however, various financial and legal issues must be addressed. Many people find it very difficult to be sure they have taken care of everything. The following is a list of tasks that are likely to need attention.

Your best option for help is your County Veteran Service office.

- For a Veteran, you may be able to get financial assistance with the funeral, burial plot, or other benefits. For information on benefits you can call the U.S. Department of Veterans Affairs at 1-800-827-1000. You may also receive information and assistance in applying for burial benefits by contacting your County Veterans Service Office (CVSO). You will need a copy of your loved one's discharge papers (DD214) to apply for these benefits.
- Obtain 10-15 copies of the Death Certificate. Speak to the funeral home or your County Veteran Service Office for contact information in your area.
- If your Veteran received Social Security benefits, notify your local Social Security office of the death, since these benefits will stop. Overpayments will result in a difficult process of repayment. If you are a surviving spouse, ask about your eligibility for increased benefits. Also, check on benefits that any minor children may be entitled to receive. You may call Social Security at 1-800-772-1213 between 7 a.m. and 7 p.m.
- Contact the health insurance company or employer regarding terminating coverage for the deceased while continuing coverage for others covered through the policy.
- Contact the life insurance company(ies) for all life insurance policies. You will need to provide the policy number and a copy of the death certificate and fill out a claim form. If the deceased is listed as the beneficiary on any other policy, arrange to have the name removed. If the Veteran was enrolled in the Servicemember's Group Life Insurance plan (SGLI), Veteran's Group Life Insurance (VGLI), or Service-Disabled Veteran's Insurance (S_DVI) call the VA at 1-800-419-1473.
- If retired military, call the Defense Enrollment Eligibility Reporting System (DEERS) at 1-800-538-9552.

- If the Veteran is a military retiree, the Defense Finance and Accounting service should be notified by calling the Retiree Casualty Section of the DFAS at 1-888-332-7411. You can also file DFAS Form 9221 online using DFAS's Fast Form option at <https://www.dfas.mil/retiredmilitary/forms.html>. If the Veteran is also a current or retired federal civilian employee, the Office of Personnel Management should be notified by calling 1-888-767-6738.
- The VA should be notified depending on the benefits the Veteran was receiving or the programs the veteran was enrolled in. If the Veteran was receiving disability compensation or a pension, call the Veteran's Benefits Administration at 1-800-827-1000.
- If the Veteran was enrolled in a VA-sponsored life insurance policy call the VA at 1-800-669-8477.
- If the Veteran was enrolled in the Servicemember's Group Life Insurance Plan (SGLI), Veteran's Group Life Insurance (VGLI), or Service Disabled Veterans Insurance (S-DVI) call the VA at 1-800-419-1473.
- If the deceased was working, contact the employer for information on pension plans, credit unions and union death benefits. You will need a certified copy of the death certificate for each claim.
- Return credit cards of the deceased with a certified copy of the death certificate, or notify the credit card company if you, as the survivor, want to retain the use of the card.
- Seek the advise of an accountant or tax advisor about filing the deceased's tax return for the year of the death. Keep monthly bank statements on all individual and joint accounts that show the account balance on the day of the death, since you will need this information for the estate tax return.
- Arrange to change any joint bank account into your name. If the deceased's estate is in trust, check with the Trust Department or Customer Service at the bank.
- If the deceased owned a car, transfer the automobile title into your name at the Secretary of State's Office, or if the estate is probated, through Probate Court.
- Arrange to change stocks and bonds into your name. Your bank or stock broker will have the forms.
- Make sure the important bills, such as mortgage payments, continue to be paid.
- Contact the County Veteran Service office for possible application for survivor's benefits such as Dependency Indmnty Compensation or Survivor's Pension.

Documents you may need to complete the tasks:

- ◆ Death Certificates (10 - 15 certified copies)
- ◆ Social Security Card
- ◆ Marriage Certificate
- ◆ Birth Certificate
- ◆ Birth Certificate for each child, if applicable
- ◆ Insurance Policy/Policies
- ◆ Deed and Titles to Property
- ◆ Stock Certificates
- ◆ Bank Books/Account Numbers
- ◆ Honorable Discharge Papers for a Veteran (DD Form 214)
- ◆ Recent Tax Forms
- ◆ Automobile Title and Registration Papers
- ◆ Loan and Installment Payment Books and/or Contracts
