Commander's Corner

We thank you for your patience as we have renovated the inside of our Post, and we need it for a little while longer. On Saturday March 4th until March

11th the bar will relocate into the hall. This will allow for the last of the paneling to be removed from the canteen. We will also sheetrock the last wall and finish the sheetrock on the ceiling. Then we will texture, paint, and trim out the entire canteen area. We need help to complete these tasks also. Anyone that can help, especially the 4th and the 5th it will be greatly appreciated. We will need to relocate the bar, and do the demolition first thing on Saturday the 4th. Many hands will make light work, and we can finish our interior renovation project.

We will still have all our normal operations to include dart and pool league on the 9th. Breakfast on the 11th will be mainly restricted to the hall. The game area of the canteen will be available for those that desire to smoke, as there is no smoking in the hall. The Riders Executive Board will meet in the Ladies Auxiliary room.

Auxiliary News

Spring is in the air....

Please remember to pay your 2017 Auxiliary dues. We still have time to make 100% and we need your help in achieving our goals!

Can you believe Elections are right around the corner? We will be forming the nominating committee at the April meeting and will be taking nominations from the floor and voting in June. If you are interested in any position, please see myself or anyone of the ladies on the Executive Board or nominating committee. Mark your calendars; installation of Officers will be June 24th.

The Kid's Easter Party will be held in April; please watch for the flyer with the date and all of the information.

Until Next Month.....

Michelle Muth
Unit 593 President

As we have talked in the past, upgrading our facilities is a critical part of having an effective American Legion Post. By having a comfortable well maintained facility, we will all enjoy our facilities and functions. It will also work as a beacon to new members that we are a growing, thriving American Legion Post. We appreciate your patience in advance as we seek to improve Our Post.

Saving Cans

Many thanks to those who have been helping us save cans for the past few years. This has brought into the Legion coffers almost \$10,000 in the last 11 years. Aluminum cans, brass, copper wire, and batteries are all salvageable.

SAL News

Hi Legion Family,

I really need to thank everyone who came out to Detachment Commander Creech's Homecoming Dinner. The support was tremendous. Thank you to everyone who donated items to make the dinner, roast and auction a success. A great time was had by all, funds were raised for Henry's charities of choice: Children & Youth and Operation Comfort Warrior, and Henry was blown away by the love he felt. Our Legion Family really did out-do ourselves.

Thanks to everyone who supported our chicken fried steak dinner last month. It's always nice to see folks out and especially nice to serve the VA folks,

Finally, membership. We are very close to 100% I know it's mentioned every month, but folks, we need help. If you are eligible to join or renew, please consider doing so as soon as you can. A SAL membership is only \$15 a year.

For God and Country,
Dennis Ducharme
Squadron 593 Commander
