Commander's Comments

Another month has passed and our Legion's canteen is still closed but we continue to work behind the scenes to help Veterans, our Community, and members as a whole. Earlier in September, we had a great dis-

cussion at our Executive Committee meeting and looked at all the options we had as a Post. The consensus was basically unanimous that the risk of opening up like other service organizations was too great. We will continue to provide meals on saturdays from 5 - 7 pm but we need members and the community to continue supporting these efforts. Every little bit helps so feel free to speak to your neighbors and come down for a To-Go meal or eat in our Hall. On the second Saturday morning of each month, we also are providing breakfast. Numbers are low but the food and camaraderie is still great. We hope to see you there and all these meals are open to the public.

On 18 October, we have another fundraiser Golf Tournament (SAL) at Olympia Hills. If you are interested in golfing,

Fall is finally here and with it some cooler weather... finally. Love this time of year! We continue to plan for what would be all our usual fall to winter events in the hopes

that we will be able to host them so please join us on October 7th at 7:30 p.m. for our monthly meeting to learn more. I know the Kid's Christmas Party and Senior's Dinner mean a lot to our community so please keep those prayers going that all these challenges will be resolved soon.

Our 20th District Fall Convention will be this month so there will be more information coming to you via email regarding the details. Speaking of emails, if you are not receiving them, please email us at <u>aux593info@gmail.com</u> so we can update your contact information and get those updates coming your way.

If you haven't already, please renew your membership of only \$28.00 for 2021. Our Early Bird dinner this year will be Saturday, October 10th, from 5 to 7 p.m.

Riders Report

Peggy Toney Horton - "Ah, September! You are the doorway to the season that awakens my soul... but I must confess that I love you only because you are a prelude to my beloved October."

I love October, the beginning of my favorites season ... Fall! This 2020 year has been an unforgiving beast. ALR 593 has had the opportunity and pleasure to join many of our South Texas ALR's in the last few weeks. It is a blessing to help our fellow ALR and Legion posts. So many people have been shut in

and become self-centered. As we meet our fellow riders, the air is full of hope, help and light. We will be hosting the Corona Caused Fall mini Rolling Run on Oct 10th. I know many of our South Texas brothers and sisters will be joining us. With Legion Breakfast the same day and the Early Bird CFS dinner, the rolling run has been scaled back further to accommodate our pillars.

Want to be part of the mini Rolling Run? Reach out to Greg Spatz or myself and we will take any volunteers we can get. The route is set! October 3rd, we will be cleaning up around the post. Need some sunshine and physical work? Come join in the work.

Watch our Facebook page for upcoming rides put together by Sean Lowder. We need to plan a group outing, maybe a "hail and farewell", have ideas, please get those to me. We are a team! We are strong together and have already proved we can get through anything. Keep each other in your prayers, reach out to your brothers and NEVER be afraid to ask for help.

"Semper Gumby" (always flexible). God Bless.

Planning Ahead

As your Service Officer, I have times in which I assist Veteran's or their families with the loss of a family member. Unfortunately, in too many instances I hear he or she did not leave a will or I could not find a particular document(s). The death of a loved one is difficult enough to say the least. However, we can all take the following actions to relieve undue burdens and financial stress on our loved ones during their time of grief.

MAKE OR UPDATE YOUR WILL: Should you not a have a will or need to update your will, please do so. There are several avenues in which to do so, i.e. private attorney; if you have a valid military ID and are serving on active duty to include, Guard or Reserve, Retired or a dependent of any, you may contact your nearest post or base legal office for assistance (due to current circumstances services maybe limited); or you may also download an on-line state approved will for the state where you reside. Ensure your Executor and Beneficiary(ies) have a copy of your will and know the location or how to gain access to your original will. If in doubt or have questions about your estate or will, please consult a professional estate or tax attorney.

IMPORTANT DOCUMENTS: Gather and consolidate your important documents. Make a binder or folder with your important documents to include at a minimum: Will, DD Form 214 or applicable discharge documents, Insurance Policies, Power of Attorney, VA ratings and/or compensation, social security benefits, retirement income pension(s), marriage or divorce degrees (if applicable), vehicle titles and household warranties/mortgage information if applicable. Additionally, if you are the primary bill payer in your household ensure your significant other knows your financial obligations. Provide them with the financial intuition(s), due dates, and method of payment, i.e., mail or on-line. If on-line, provide a list of the websites and passwords.

PRE-BURIAL ARRANGEMENTS: If you are a Veteran and **not** dishonorably discharged, you and your dependents are eligible for burial in a VA cemetery. You can request a pre-eligibility determination by going to: <u>https://www.va.gov/burials-memorials/</u>, scroll down to and click on "**Eligibility**" to obtain the appropriate form and required documents for application. Also recommend you download the "**Survivors and burial benefits Kit**" located on the same page. It contains additional benefit information you can include with your important documents. Should you not have access to the internet you can call 1-800-535-1117 for pre-eligibility determination assistance.

Respectfully

KEN'S HOMEMADE BREAD

I started making homemade bread during this lockdown at home. I enjoy doing it, but it also gives me something to do during the day during this home lockdown for which I am thankful.

I make the bread for those that want it FOR ONLY A DONATION OF THEIR CHOICE. ALL DONATIONS ARE GOING TO POST 593 TO USE DURING THIS SHUTDOWN FOR POST EXPENSES OR OUR PROGRAMS WE PROUDLY SUPPORT.

I make a White bread, a Raisin Bread, an Italian Bread and my all new "Chili Bread" (it has a bit of a bite)). Homemade bread is much better for you than store bought cause it does not have all those preseritives in it.

If you would like to try it just call/text me at 210 887 8827 or email to: dwgken@aol.com. You can pick up from my home, at our Legion Post or I will deliver it to you. Just let me know.

Let's help our post and help me stay busy at home!!!!!
