Commander's Comments

Hello Legion Family,

Thank you everyone who came out for our breakfast and steak night.

It is starting to get to the busy season with football and lots of activities coming up. My apologies for not having too much information, but I've been in and out of the hospital.

And now for the big news. Our memorial brick sales have been set up and tested and ready to go. We are inviting everyone to get a memorial brick for a past veteran, yourself, or your family. These bricks will help us raise money to move our flags and our memorial.

The bricks will be placed on the ground in front of the monument or on the wall beside it. Most of the 8x8 will be used to cap the top of the seating area.

There's a couple of options to order your brick(s). You can just scan the QR code on the flyer and it'll walk you through it (it's so easy I did it by myself). Another way to order your brick(s) is to go online: <http://www.bricksrus.com/donorsite/conversetxlegion>.

The flyer is enclosed in this newsletter. Please take the time to go on the website and order your brick today. The bricks will be sent directly to our post.

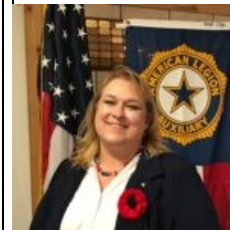

We will also be taking private donations as well.

Thank you!

For God and Country,

Commander Creech

Auxiliary News

Howdy!

Our 593 Auxiliary continues to do the good work on behalf of others. Let's keep our momentum and enthusiasm going forward. Kids are back in school and sadly, vacation time is over. Happily, this means we should see more smiling faces in our Auxiliary meetings!

Give me an M and an E and another M and a B and an E and an R and an S and an H and an I and a P! What does that spell? Membership! Membership is what keeps our organization alive and relevant. Membership is everybody's responsibility. Talk to your daughters, granddaughters, moms, and men who are married to women who are serving, and you have a very deep pool to recruit new members from. We can and we must achieve our membership goal this year. We will succeed if each of us does our part.

Thank you to those who donate delicious desserts on Steak Night and Chicken Fried Steak Night. When you bring your dessert donations to the Post, please make sure they are individually wrapped so that we can place a reasonable price on them and use the proceeds to fund our programs.

Don't forget that our Auxiliary meetings are always on the first Wednesday of the month. Our next meeting is scheduled for September 4, 2025, at 7:00 p.m. Encourage a qualified friend or relative to come with you so they can see what it's about, and then they can enjoy the friendly atmosphere and camaraderie of our Post afterward.

As always, thank you to the members who work so hard for the success of our Unit. Without you we wouldn't be where we are.

Robin Alva

President, ALA Unit 593

SALute From the Squadron Commander

Hello SAL. Hope you're all doing well and staying cool in this crazy heat.

It's membership renewal time. The sooner you renew (or sign up a new member) the better it is for all, and especially for you! Signing up before October 11 gets you a discount on your dues plus a free chicken fried steak dinner on October 11. See the flyer in this newsletter.

Thank you to all the volunteers who made the August chicken fried steak meal a great success. Was great to see new members stepping up to help. Let's keep that momentum going. Things can only work with a good volunteer cadre. If you'd like to volunteer, get with our 2nd Vice Mikey Wilson, or any SAL member for information.

My project this year is to provide assistance to the Converse Animal Shelter. There will be an information flyer coming out in October detailing our plans and ways we can all help.

Come join us on September 13 for a hearty Pre-Oktoberfest German meal of bratwurst, German potato salad, sauerkraut, and warm red cabbage slaw. It's gonna be a fun time.

Our annual golf tournament takes place on October 20th. Information flyers are in this newsletter and at the Post.

Until next month.....

For God and Country,

Rick Moe
Commander

Riders Report

Another great month being a rider. We started August with a bang by having a great short ride with about 12 riders followed by our mid-August Hail and Farewell in Port Aransas. 23 people attended that ride and it allowed us to hail 5 riders and did not have to farewell anyone.

Saying good-bye to a rider can be hard especially if they are entering Post Everlasting. The last patch to go on our Memorial Vest was Cindy Lowe. Next week Saturday, 7 September, is our Memorial Ride and unlike past rides, we have no need to add any patches to the vest. That's great so this should be a great ride for us.

This past week, Ed Richards, Peter Muth, Michelle Muth, George Alva, and I attended the American Legion National Convention in New Orleans. Great turnout for Riders nationwide, approximately 350 riders. As a result, State of Texas ALR donated \$47,200 to the Veterans Children Foundation. Great job Riders. Keep up the great work and God Bless our Veterans.

Paul "Gomer" Goymerac.

ALR Director

1st Vice Commander Report

As one of the largest Posts in Texas, we have to work extra hard to meet and maintain our 100% goal-but it can happen and it does happen. If you have not renewed for 2025, please renew for this year as quickly as possible and bring in new members as well.

There are multiple ways to renew:

- Online at mylegion.org and print your membership card;
- Send in your reminder renewal form that is mailed by Headquarters;
- Leave a check with the bartender for the membership bag (make sure your Legion ID number is on the check).

If you have served in federal active duty in the United States Armed Forces since December 7, 1941, and have been honorably discharged; or are still serving, you are eligible to join! Bring in your friends, family, and neighbors to register for the Legion (and check eligibility for Auxiliary and Sons as well!).

Position Open: 1st Vice Commander, American Legion Post 593

Nominations to fill the vacancy will be taken from the floor during the October General Membership Meeting, election will follow the nomination process.

Nominee needs to be present to accept the nomination.

The Fourth Pillar- Children and Youth

Boy Scout Troop 593 continues to grow and go. Whether it is serving our community at local food banks, learning about Natural Sciences such as dinosaurs and geology at Dinosaur Valley State Park, or deepening their love and respect for our God during Chapel Service at camp.

Your youth program, Post 593, changes little boys to become healthy, well-rounded men.

The National Scouting America Office looks to be trying out fully integrated co-ed troops, perhaps in the near future we will be able to support young ladies within the troop.

A Letter from the Sons of the American Legion Detachment Commander

The Sons of The American Legion gathered in New Orleans for the 52nd National Convention which was conducted from August 23rd through the 25th. The Detachment of Texas was represented well by delegates from across our great state. Immediate Past Detachment Commander Roy Fowler was the delegation chairman. PDC Fowler accepted several awards on behalf of the Detachment and presented a check from the Detachment to National. When you see Roy, make sure to thank him for the commendable job he did while serving as our Detachment Commander.

The entire event was an indispensable learning experience, and it was just plain fun! Yours Truly attended the S.A.L. Detachment Commanders Training and got the opportunity to network with other Detachment Commanders from across the United States.

Joseph Navarrete from New Mexico was elected and installed as National Commander for the Sons of The American Legion. He was nominated by his father, a US Army veteran. His mother who is a Past National President of The American Legion Auxiliary offered the prayer. Joseph's children placed the cover on his head, and his wife placed the badge on his coat. I think most of New Mexico was there to cheer for him during the walk to the stage parade. History was made at the convention because National Commander Navarrete is the first S.A.L. member from New Mexico to serve as National Commander. Congratulations Commander Navarrete!

Our very own Thom Skelley (Kerrville Squadron 208) is officially the trailing candidate for the high office of S.A.L. National Commander! This means that next year he becomes the leading candidate for the office. Let's throw our enthusiastic support behind him and show the rest of the country that Texas is always ready to lead the way.

Nationally, the S.A.L. has donated over \$10,000,000 dollars to the Child Welfare Fund. This is what it's all about. We are members of this great organization so that we can honor the military service of our parents and grandparents, and what better way to that than to help those in need. The things we do, we do for others. Please don't ever forget that.

As Detachment of Texas Commander I extend a super big THANK YOU to the Detachment of Louisiana for their incredible hospitality and a great convention. The city of New Orleans was friendly and welcoming to all the delegates. I don't think there's a city in America that has a wider variety of delicious foods and more venues available to have fun than the Big Easy. Bourbon Street is an experience everyone should go through at least once. We had a great time at The Cat's Meow 2 thanks to the Louisiana Detachment. Others visited the World War II Museum and other sites around the city. The Ernest Morial Convention Center is a huge, modern two-story complex only a block from the Mighty Mississippi River, a great place to host a convention. It was truly an unforgettable weekend.

If you ever get the chance to attend a national convention, take it! Not only will you learn more than you already know, but you will meet many good people, and you will have so much fun. There is nothing that matches the camaraderie you will have with your fellow S.A.L., Legion, and Auxiliary members. It is an incredible experience that you will remember forever.

The next National Convention will be held in Tampa Bay, Florida in August of 2025. I hope to see many of you there representing our great state. I also hope to see most of you at the Fall DEC in Austin next month. Proud possessors of a priceless heritage.

George Alva

Dear Prospective Sponsor,

8 August 2024

On behalf of the members of our Post, I would like to invite you to help sponsor our annual Sons of The American Legion Fall Classic Golf Tournament to be held at Fort Sam Houston Golf Course in San Antonio, TX on Sunday, 20 October 2024. Please take the time to look through this letter, visit us on the web and decide to help us. A successful event requires hours of planning and hard work. It also requires the support of volunteers and generous local sponsors.

Proceeds from this golf tournament will allow us to support Child Welfare and Veteran's programs like Boys State. Boys State is one of the most respected and selective educational programs of government instruction for U.S. high-school students. It is a participatory program in which students become part of the operation of local, county and state government. Participants learn the rights, privileges and responsibilities of franchised citizens. Boys State has been a program of The American Legion since 1935.

In most cases, individual expenses are paid by a sponsoring post, a local business or another community-based organization.

We are asking for donations of:

- 1.) a hole sponsorship of \$50 (We'll place a sign by a hole with your ad or information),
- 2.) gift cards or items to pass out as door prizes, or
- 3.) items we can put into goodie bags for the golfers (hats, shirts, towels, koozies, discount cards, golf balls/clubs, etc.)

Since we are a non-profit 501c (19) veteran's organization, your donated items may be tax deductible. Please contact David Paris at (210) 325-3874 or Henry Creech at (210) 391-7391, SAL Annual Fall Classic Co-Committee Chairs, to make a donation or if you have any questions. Thank you for your consideration and kind support!

Sincerely,
