## Commander's Call

Nick Mills

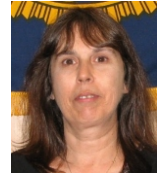

Legion Family: A new Legion Family year has begun and I am asking each of you reading this newsletter to get involved with a Legion program, project, or volunteering at a veterans hospital or nursing home. Do not wait and then wonder where the year has gone. The time to get involved is NOW! Let me get you started: The H&E committee is where all of the functions, events, and celebrations are developed and carried out. 2<sup>nd</sup> Vice Commander Rob can use your assistance and you may even have fun doing it. The committee meets each month (see the calendar for date and time) and every member of the Legion Family is invited to attend and participate. Want to see the Post have a certain event attend the H&E committee.

Next, I want to talk about the Building Committee. This committee is about OUR new Post Home. You must get involved or it will never happen! The same 10-12 people attend and do all the work. I bet everyone will use the new facility when it is complete. (Continued on page 2)

## Auxiliary News

Sue Mills

We are off to a good start. I want to thank everyone that helped with The Installation. I also want to thank Hilda again for her two wonderful years as President. Please remember to renew your membership early and recruit a friend or two. I want to invite new members to come to a General Membership meeting, learn more about the Auxiliary and see firsthand the events and projects we do. Our meetings are the first Wednesday of every month at 7:30PM.

The 20<sup>th</sup> District Auxiliary is having its summer meeting at Post 593, Wednesday August 8<sup>th</sup> at 7:30PM.

We still have some committees that need a chairman please give me call if you would like to learn more about the openings or would just like to help out. (657-1920)

I am looking forward to a very productive year. With everyone's help we can do it.

*Best Wishes, Sue*
