Post 593 American Legion Riders

Legionaries, Auxiliary, SAL, and Riders of Post 593, I thank all of you for the confidence and trust you have in me as I take hold of this new position. Thanks to Ruben and his officers for staying the course over the past two years. I don't think anyone could have imagined the success we have had in our first two years. We continue to grow in numbers, represent our home post with pride and dignity and arguable have become the best ALR group in the state. It is true we have had our disagreements and tragedies have hit home but we have always been able to recover simply because, we love what we do. I have 100% faith in the newly installed officers and their abilities as we set course in 2007. I have three goals for 2007; the first is to pull those riders who have strayed, back into the American Legion Family. We miss their presence and value their strengths. My second goal is to have consistence in our service mission. We are a service organization and our mission is to provide quality, consistent service to our veterans. My last goal is to leave behind a legacy. This is something that will remain long after the money is spent; something that will enhance the quality of life for our veterans. Before I close I want acknowledge and thank TJ Haynes, The Legacy Run Support Coordinator and his team, Dennis Ducharme and his Legacy Dinner team, and all the members of Post 593. Because of your hard work in just two months we are able to give a check for \$10,000 to the American Legion Legacy Scholarship Fund in the name of Post 593, Converse, TX.

New Paper Recycling Dumpster

Finance Officer John Orff has found another great way to make money for the Post. A local recycling company is placing a dumpster at the Legion for RECYCLING PAPER at a great price. The dumpster should be in place about Sept 1st. Please bring all of your old newspapers, etc and put them in our recycling dumpster!!
