H & E News

By Rob Bryant, 2nd Vice Commander

Hopefully everybody is enjoying this bit of a damp summer. We had a good showing for both the steak night and breakfast in August. We are always looking for help in the kitchen for our events. Even if you don't think you have any kitchen skills that would be of assistance there is always somewhere we can slide you in. You can inquire at the bar and they will help you to get a hold of someone to sign you up for a crew. The H&E committee meets the 4th Wednesday of the month at 7 PM, anyone who would like to participate is welcome to attend.

A big way to go for the Legacy Fund contributions amounting to over \$20,000, doubling the amount from last year. The Riders did an awesome job in their effort this year in drawing up the money through various functions. Don't forget every Thursday they open the kitchen for dinner between 6 & 8 PM.

In September we are going to be having our Labor Day celebration on Sunday September 2nd. So bring a dish and enjoy some time with your fellow members. On Friday September 21st we are going to have free jukebox night again this month. Breakfast is going to be on the morning of September 8th. The monthly Dart Tournament will be on September 15th at 7:30 PM. Steak night will be on Friday September 28th and we welcome back Billy Feehan with his Karaoke starting at 8 PM.

A Prayer For 911

"We Will Never Forget"

Prayer of Comfort for September 11th

Lord, the storms come, and we cry out in our agony that life is unfair. We doubt your love and question your goodness. And the pain often blinds us to the rainbows of your presence.

The fear that life will never be good again keeps us clinging to the shreds of what we had instead of allowing you to build a new and deeper life out of our brokenness.

Help us, Father, to remember these darks days the things we know to be true of you, the things that seem so easy to believe when life feels good.

Help us to cling tenaciously, to the promises that your love is unfailing, your strength is made known in our weakness, and you will never leave us or forsake us. Give us the grace to offer up to you our tear-stained praises for being our anchor in the storm.

Amen
